Check if your organization is covered by the General Rule or a Special Rule. (Note: Only a section 501(c)(7), (8), or (10) organization can check boxes for both the General Rule and a Special Rule—see instructions.)  

General Rule—  

✔ For organizations filing Form 990, 990-EZ, or 990-PF that received, during the year, $5,000 or more (in money or property) from any one contributor. (Complete Parts I and II.)  

Special Rules—  

☐ For a section 501(c)(3) organization filing Form 990, or Form 990-EZ, that met the 33⅓% support test of the regulations under sections 509(a)(1)/170(b)(1)(A)(vi) and received from any one contributor, during the year, a contribution of the greater of $5,000 or 2% of the amount on line 1 of these forms. (Complete Parts I and II.)  

☐ For a section 501(c)(7), (8), or (10) organization filing Form 990, or Form 990-EZ, that received from any one contributor, during the year, aggregate contributions or bequests of more than $1,000 for use exclusively for religious, charitable, scientific, literary, or educational purposes, or the prevention of cruelty to children or animals. (Complete Parts I, II, and III.)  

☐ For a section 501(c)(7), (8), or (10) organization filing Form 990, or Form 990-EZ, that received from any one contributor, during the year, some contributions for use exclusively for religious, charitable, etc., purposes, but these contributions did not aggregate to more than $1,000. (If this box is checked, enter here the total contributions that were received during the year for an exclusively religious, charitable, etc., purpose. Do not complete any of the Parts unless the General Rule applies to this organization because it received nonexclusively religious, charitable, etc., contributions of $5,000 or more during the year.)  

Caution: Organizations that are not covered by the General Rule and/or the Special Rules do not file Schedule B (Form 990, 990-EZ, or 990-PF), but they must check the box in the heading of their Form 990, Form 990-EZ, or on line 2 of their Form 990-PF, to certify that they do not meet the filing requirements of Schedule B (Form 990, 990-EZ, or 990-PF).
