2005 TOTAL APPROVED GRANTS FOR FUTURE PAYMENT $ 1,252,112
DEER CREEK FOUNDATION  
2005 FORM 990-PF  
43-6052774

PART XV, QUESTION 2 (b)  

OPERATING POLICY

OBJECTIVES  
The Deer Creek Foundation is a private philanthropy interested primarily in the advancement and preservation of the governance of society by rule of the majority, with protection of basic rights as provided by the United States Constitution and Bill of Rights, and in education in its relation to this concept.

GUIDELINES  
The Foundation gives priority to the encouragement and support of those projects and programs which show promise of having significant regional and national impact. The one exception is that preference is sometimes given to local projects in St. Louis, Missouri, where the Foundation was established. As a general rule, action programs are favored.

Grants are most often made to organizations and institutions.

Their ultimate purpose, however, is to assist individuals and groups of individuals in working toward the solution of problems in the areas of interest stated above.

The guidelines established by the Foundation’s board of trustees normally preclude support for the following types of activities: endowment, construction, equipment, or general operating expenses. In light of the Foundation’s limited resources, many worthy ideas and proposals cannot be funded.

GRANT APPLICATION PROCEDURES  
No specific application form is required. Applicants should submit a proposal stating the objectives of the project, the specific activities planned to achieve those objectives, the qualifications of the organization and individuals concerned, the mechanism for evaluating the results, a project and organizational budget, the latest annual report or audited financial statement (if available), a copy of the applicant’s tax-exempt status determination letter from the Internal Revenue Service, a list of the organization’s Board of Directors, and a list of current organization and project funders which includes each contribution amount. Ordinarily, preference will be given to applicants which qualify for exemption under Section 501 (c) (3) of the Internal Revenue Code, and which are not “private foundations” as defined under Section 509 (a). Public instrumentalities performing similar functions are eligible.
